**AFFILIATION****DCAA SCIENCE AND MATH CLUB 2017 — 2018****Vice President**

I was unanimously elected as Vice President, in which I had been involved and contributed to the club's initiatives and activities.

**DION (OFFICIAL SCHOOL PUBLICATION) 2019 — 2020****Science and Technology Writer**

Volunteered as an S&T Writer, leveraging expertise in Science and Technology topics. This position allowed me to develop my research and writing skills.

**Layout & Designer**

While being a writer, I was also responsible for the Layout & Design of the School Paper due to a lack of student volunteers. Throughout the endeavor, I have acquired the necessary skills for graphic design.

**COR JESU COLLEGE PULSE (OFFICIAL SCHOOL PUBLICATION) 2020—2022****Science and Technology Writer**

Volunteered as an S&T Writer, contributing articles on Science and Technology.

**Editor-in-Chief**

I was promoted as the EIC in the Pulse Publication. However, I withdrawn from the position a year after the school year.

**Officially Published Articles**

Student Academic Integrity Haunted by Ghostwriters

The Curse of Infectious Medical Wastes

**EXPERIENCES****TECHNICAL SERVICE FREELANCER May 2016—Present**

Self-Employed

Expanded service offerings to include small-scale website development, network setup, and maintenance, catering to a diverse range of client tech needs.

**WRITING FREELANCER August 2016—Present**

Contracts / Self-Employed

Over the years, I have progressively built a reputation and network for being able to provide a high-quality writing service and output, especially in the research field. Where I have been well-known in my high school for offering a great service from projects, coaching, to research writing. I have also handled clients from Upwork where I provided health-related blog articles for their company.

### **Early Experiences**

- Provided academic assistance and commission services to students, including homework, projects, research papers, and exam preparation materials.
- Experienced in writing investigatory projects and term papers across a range of disciplines.
- Offered development of simple software programs and offering design services.
- Has been reliable mentor and support system for students preparing for paper defenses.

### **Current Status**

- I am still providing services for teachers, especially for writing their master's and doctoral theses. The services included helping in the research, writing, and editing phases of the theses—and many more depending on the client's needs.
- I specialized in helping teachers with technical writing, researching, and formatting according to specific academic standards (APA 7th Style).
- I still provide academic writing services such as term papers, research papers, and other academic requirements.

### **BOOKKEEPING ASSISTANT AND DATA ENTRY CLERK** January 2016—April 2023 Contract / Self-Employed

As a Bookkeeping Assistant and Data Entry Clerk at DSA Marketing, I was responsible for providing support to the bookkeeping and accounting team by maintaining financial records, completing bookkeeping tasks, and inputting data into a computer system or database.

### **Early Experiences**

- Provide various financial documents and reports such as Budget Proposal, Contracts, Balance Sheet, Income Statement, Budget Allocation Report, Itemization Report, and Item Data Collation for multiple barangay and municipality project procurement transactions.
- Led the transition to a paperless practice by implementing a system that clients could use, resulting in a faster, safer, and more accurate bookkeeping system, and a reduction in labor costs (In paperwork).
- Revised, formatted, and updated the company's template for procurement documents, which helped to improve the accuracy and efficiency of the bookkeeping process.
